Re: RR 15L-13

Dear Mr. Perera:

The Federal Election Commission ("Commission"), the regulatory agency that administers and enforces the Federal Election Campaign Act of 1971, as amended (the "Act"), has ascertained information in the normal course of carrying out its supervisory responsibilities indicating that Florida Freedom PAC and you, in your official capacity as treasurer ("Committee"), may have information concerning a potential violation of the Act. The matter has been referred by the Reports Analysis Division to the Commission's Office of General Counsel for possible enforcement action under 52 U.S.C. § 30109 (formerly 2 U.S.C. § 437g). The Committee has been referred for Failure to Provide Supporting Schedules (Failure to File 24- and 48-Hour Reports, Failure to Timely File 24-Hour Reports), in violation of 52 U.S.C. § 30104(g) (formerly 2 U.S.C. 434(g)) and Commission regulations. For further information, a copy of the referral document is enclosed. Notification of this referral is being provided to you pursuant to the Commission's Agency Procedure for Notice to Respondents in Non-Complaint Generated Matters, as published in the Federal Register on August, 4, 2009 (74 Fed. Reg. 38,617).

The Commission's Office of General Counsel is reviewing this information in connection with making a recommendation to the Commission as to whether there is reason to believe that the Committee and you, in your official capacity as treasurer, violated the Act, an initial determination necessary to initiate an investigation into whether a violation has, in fact, occurred. See 52 U.S.C. § 30109(a)(2) (formerly 2 U.S.C. § 437g(a)(2)). Before the General Counsel makes such a recommendation, you may provide in writing any factual or legal materials that you believe are relevant to this matter, including any related documents. Your submission, if you choose to make one, must be submitted within 15 days of receipt of this letter and addressed to the General Counsel's Office. Subsequently, the General Counsel's Office will present its recommendations to the Commission. Any response submitted by you will be taken into account in these recommendations. The Commission will then consider the recommendations and, if the Commission finds that there is reason to believe the Committee and you, in your official capacity as treasurer, violated the Act, initiate an enforcement matter.

17044410247

This matter will remain confidential in accordance with 52 U.S.C. §§ 30109(a)(4)(B) and 30109(a)(12)(A) (formerly 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A)) unless you notify the Commission in writing that you wish the matter to be made public. If you intend to be represented by legal counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

OFFICE OF GENERAL COUNSEL

- I. COMMITTEE: Florida Freedom PAC
C00521013
Gihan J. Perera, Treasurer
8330 Biscayne Blvd., Suite 1
Miami, FL 33138
- II. RELEVANT STATUTE: 52 U.S.C. § 30104(g)
11 CFR § 104.3(b)
11 CFR § 104.4(c)

III. BACKGROUND:

Failure to Provide Supporting Schedules (Failure to File 24- and 48-Hour Reports, Failure to Timely File 24-Hour Reports)

Florida Freedom PAC ("the Committee") failed to file one (1) 48-Hour Report to support one (1) independent expenditure totaling \$210,915.52 disclosed on the Amended 2012 July Quarterly Report, received October 11, 2012, and fourteen (14) 48-Hour Reports to support two hundred twenty-seven (227) independent expenditures totaling \$327,094.33 on the Amended 2012 October Quarterly Report, received February 14, 2013, made up to and including the 20th day before the 2012 General Election. The Committee also failed to file ten (10) 24-Hour Reports to support one hundred eighty-six (186) independent expenditures totaling \$25,356.52 and failed to timely file six (6) 24-Hour Reports to support seven (7) independent expenditures totaling \$49,270.40 on the Amended 2012 30 Day Post-General Report, received February 14, 2013, made after the 20th day, but more than 24 hours before the 2012 General Election.

A Prior Notice listing the official filing dates for Quarterly filers was sent via email to the Committee on September 21, 2012. The notice included a section titled 48- and 24-Hour Reports of Independent Expenditures which read as follows, "Any PAC or Party Committee that makes independent expenditures in 2012 may have to disclose this

170044410024299

activity within 48- or 24-hours based upon the date and amount of the expenditure. See 11 CFR 104.4(b)(2) and (c). See generally, 11 CFR 104.4. Web Page: State-by-state chart of 2012 48- and 24-hour periods for independent expenditures, Campaign Guide: Nonconnected, pp. 72-74 [PDF]; SSF, pp. 65-67 [PDF]; Party, pp. 87-89 [PDF]. These reports are not required when a PAC or Party Committee makes a contribution directly to a candidate" (Attachment 2).

2012 July Quarterly Report

On October 11, 2012, the Committee filed an Amended 2012 July Quarterly Report, covering the period from April 1, 2012 to June 30, 2012, which included a Schedule E (Itemized Independent Expenditures) disclosing three (3) independent expenditures totaling \$279,445.52, made in support of one (1) federal candidate. The Committee failed to file one (1) 48-Hour Report to support one (1) independent expenditure totaling \$210,915.52 (Image 12954317640-41; Attachment 3).

On January 10, 2013, a Request for Additional Information (RFAI) was sent to the Committee referencing the Amended 2012 July Quarterly Report, received October 11, 2012. Among other items, the RFAI noted the Committee may have failed to file one (1) or more of the required 48-Hour Reports for independent expenditures disclosed on the amended report. A chart was included with the RFAI identifying one (1) independent expenditure, totaling \$210,915.52, for which a 48-Hour Report had not been filed (Image 13330019633-36).

On February 14, 2013, the Committee filed a Miscellaneous Electronic Submission ("Form 99") in response to the RFAI referencing the Amended 2012 July Quarterly Report, received October 11, 2012. The Form 99 stated, in part:

"The Commission has also suggested that the committee did not file a 48-hour notice to appropriately disclose an independent expenditure. As the committee detailed in its response to the Commission's Request for Additional Information for the original July report: "Because the committee lacks the day-by-day data of its expenditures or the in-kind support received from SEIU PEA for June, FFP is not able to produce, at this time, the accurate 48-hour reports that should have been filed. In any event, all of these independent expenditures have since been reported in the July quarterly report (including clarifications made in the amended report). For these reasons, FFP suggests that it would be impossible and would serve no policy purpose to attempt to produce these 48-hour reports now, after the fact. However, should the Commission find the filing of such a 48-hour report to be necessary, we would suggest that the committee file a single 48-hour report for all of these independent expenditures" (Image 13960823162).

On that same day, the Committee filed an Amended 2012 July Quarterly Report with no additional changes on Schedule E (Image 13960934246-47).

12954317640-41

On March 18, 2013, a Reports Analysis Division (RAD) Analyst left a voicemail message for Gihan Perera, the Committee's Treasurer, to inform him that the Committee may be referred for further action to the Commission regarding a missing 48-Hour Report for an independent expenditure that was disclosed on the Committee's Amended 2012 July Quarterly Report, received October 11, 2012 (Attachment 7).

Also on March 18, 2013, the Analyst called John Pomeranz, counsel for the Committee. The Analyst informed Mr. Pomeranz that the Committee may be referred for further action to the Commission regarding a missing 48-Hour Report for an independent expenditure that had been disclosed on the Committee's Amended 2012 July Quarterly Report, received October 11, 2012. He stated that he was aware of the issue and that the Committee had submitted a response, via Form 99, on February 14, 2013. The Analyst told Mr. Pomeranz that any additional information that the Committee could provide for the public record may be beneficial. He said he believed that the Form 99 response was sufficient and that the Committee is willing to work with the Commission to resolve the matter. Mr. Pomeranz also explained that this is a grassroots Committee and that it seems to have a consistent problem with reporting activity relating to canvassing and phone bank operations. He said that he thought that this might be due to a lack of clear guidance from the Commission and that it would be beneficial for the Committee to find a universal solution to these problems. Mr. Pomeranz also stated that he would like to resolve any outstanding issues for the 2011-2012 election cycle so that the Committee can provide more accurate disclosure for the 2013-2014 cycle (Attachment 7).

2012 October Quarterly Report

On February 14, 2013, the Committee filed an Amended 2012 October Quarterly Report covering the period from July 1, 2012 to September 30, 2012, which included a Schedule E disclosing seven hundred seventy (770) independent expenditures totaling \$1,636,678.74, in support of four (4) federal candidates. The Committee failed to file fourteen (14) 48-Hour Reports to support two hundred twenty-seven (227) independent expenditures totaling \$327,094.33 (Image 13960934600-984; Attachment 4).

On September 4, 2013, a RFAI was sent to the Committee referencing the Amended 2012 October Quarterly Report, received February 14, 2013. Among other issues, the RFAI noted that the Committee may have failed to file one (1) or more of the required 48-Hour Reports for independent expenditures. A chart was included with the RFAI identifying two hundred twenty-seven (227) independent expenditures, totaling \$327,094.33, for which 48-Hour Reports had not been filed (Image 13330038238-48).

On September 26, 2013, the Committee filed a Form 99 in response to the RFAI referencing the Amended 2012 October Quarterly Report, received February 14, 2013. The Form 99 stated, in part:

"The Commission has asked about 48-hour notices for independent expenditures which were not itemized on the amended October Quarterly report, as well as 48-hour notices disclosed on Schedule E that appear to not have been filed. Further, the Commission has asked about independent expenditures to The Pivot Group with amounts that differ between the

report in question and the original 48-hour reports that were filed. When the committee originally filed 48-hour notices for independent expenditures to disclose canvassing activity, the notices contained estimates for what the anticipated month's activity would be. Thus, both payment amounts and actual vendors differ between the original estimates reported and the actual activity that has been disclosed on the amended October Quarterly report in question. This report reflects a more detailed and accurate itemization of the 48-hour notices that were previously filed. Please note that in both memo entries to FFP reports (see, e.g., the memo text on the report in question) and in responses to previous Requests for Additional Information (see responses filed on October 11, 2012, February 14, 2013 (two), March 19, 2013, July 30, 2013 and August 29, 2013) FFP has previously provided essentially this same explanation for the discrepancies between 48-hour notices filed by FFP and subsequently filed reports" (Image 13941667451).

2012 30 Day Post-General Report

On February 14, 2013, the Committee filed an Amended 2012 30 Day Post-General Report covering the period from October 18, 2012 to November 26, 2012, which included a Schedule E disclosing one thousand four hundred twelve (1,412) independent expenditures, totaling \$158,995.32, in support of, or in opposition to, six (6) federal candidates. The Committee failed to timely file ten (10) 24-Hour Reports to support one hundred eighty-six (186) independent expenditures totaling \$25,356.52. Additionally, the Committee failed to timely file six (6) 24-Hour Reports to support seven (7) independent expenditures totaling \$49,270.40 (Image 13960935668-6373; Attachments 5 and 6).

On August 1, 2013, a RFAI was sent to the Committee referencing the Amended 2012 30 Day Post-General Report, received February 14, 2013. Among other issues, the RFAI noted that the Committee may have failed to file and timely file one (1) or more of the required 24-Hour Reports regarding "last minute" independent expenditures. A chart was included with the RFAI identifying one hundred eighty-six (186) independent expenditures, totaling \$25,356.52, for which 24-Hour Reports had not been filed, and seven (7) independent expenditures, totaling \$49,270.40, for which 24-Hour Reports had not been timely filed (Image 13330034867-76).

On August 29, 2013, the Committee filed a Form 99 in response to the RFAI referencing the Amended 2012 30 Day Post-General Report, received February 14, 2013. The Form 99 stated, in part:

"The Commission has asked about 48-hour notices disclosed on Schedule E that appear to not have been filed. When the committee originally filed 48-hour notices for independent expenditures to disclose canvassing activity, the notices contained estimates for what the anticipated month's activity would be. Thus, both payment amounts and actual vendors differ between the original estimates reported and the actual activity that has been disclosed on the Post-General report in question. The amended Post-

General report reflects a more detailed and accurate itemization of the 48-hour notices that were previously filed. Please note that in both memo entries to FFP reports (see, e.g., amended Post-General Election Report filed February 14, 2013) and in responses to previous Requests for Additional Information (see responses filed on October 11, 2012, February 14, 2013 (two), March 19, 2013 and July 30, 2013) FFP has previously provided essentially this same explanation for the discrepancies between 48-hour notices filed by FFP and subsequently filed reports. In addition, it is my understanding that in response to a question at the recent regional conference the Commission held in Austin, Texas, that [a Manager] with the Commission's Reports Analysis Division, suggested just the approach FFP has taken: Filing 48-hour notices with estimated expenditures and then filing more accurate information in subsequent reports. While such a statement by Commission staff is certainly not binding on the Commission, it does offer some greater confidence that the approach taken by FFP was reasonable, despite the repeated questions about it in this and earlier RFAs.

Finally, the Commission asks about other independent expenditures disclosed on Schedule E. Your question is somewhat confusing in suggesting that these expenditures "appear to have been publicly disseminated or distributed after the general election date" and offering the suggestion that FFP amend the dates of dissemination. However, all of the dissemination dates are correct as disclosed, and all dissemination dates fall between October 22, 2012, and November 4, 2012, prior to the general election date on November 6, 2012. FFP acknowledges that it should have filed timely 24-hour reports for these expenditures prior to the election and did not do so. As these expenditures were, in fact, reported on post-general-election report, there seems no purpose in correcting this omission at this time, but FFP will do so if the Commission so requires, and FFP stands ready to discuss any other corrective action the Commission believes appropriate" (Image 13941477091).

On December 20, 2013, the RAD Analyst spoke with Mr. Pomeranz to let him know that the Committee may be referred for further action to the Commission for failure to file and late filings of 24 and 48-Hour Reports for independent expenditures disclosed on its Amended 2012 July Quarterly, Amended 2012 October Quarterly, and Amended 2012 30 Day Post-General Reports. He said that he was aware of the situation, but did not understand why it was necessary to be referred to another office. He stated that the reporting requirements for independent expenditures made by grassroots committees, such as Florida Freedom PAC, do not seem to be ideal or efficient. He also stated that the Committee had already provided responses to the Commission's inquiries regarding these issues. The Analyst acknowledged this statement, but reminded Mr. Pomeranz that additional information could be put on the public record at the Committee's discretion (Attachment 7).

To date, no further communication has been received from the Committee regarding this matter.

¹ A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered up through the close of books for the first report due.

² **Parties and PACs:** required only if committee makes contributions or expenditures in connection with the general election during the reporting period. 11 CFR 104.5(c)(1)(ii).

Congressional Committees: the principal campaign committee of a candidate who participates in the general election must file pre-and post-general election reports. 11 CFR 104.5(a)(2).

2012 SUPPLEMENTAL FILING INFORMATION CONGRESSIONAL COMMITTEES

PLEASE NOTE: The Commission provides reminders of upcoming filing dates as a courtesy to help committees comply with the filing deadlines set forth in the Act and Commission regulations. Committee treasurers must comply with all applicable filing deadlines established by law, and the lack of prior notice does not constitute an excuse for failing to comply with any filing deadline.

WHO MUST FILE

Principal campaign committees of congressional candidates¹ (including unopposed candidates and candidates whose names do not appear on the ballot) must file Quarterly Reports in 2012.²

Campaigns that raise or spend more than \$5,000 for the 2012 election cycle (and thus trigger registration and reporting requirements) must file quarterly reports throughout 2012, even if the candidate plans to retire, withdraws from the race prior to the primary election, loses the primary or drops out of the race prior to the general election. See 11 CFR 104.5(a)(2).

Before a committee can stop filing with the FEC, it must file a termination report with the Commission. See 11 CFR 102.3. Committees must continue to file reports until the Commission notifies them in writing that their termination report has been accepted.

METHODS OF FILING REPORTS

Electronic Filing

Reports filed electronically must be received and validated by the Commission by 11:59 p.m. Eastern Time on the filing deadline. See 11 CFR 104.5(e). See also 11 CFR 104.18 and 100.19.

¹ Generally, an individual becomes a candidate for federal office (and thus triggers registration and reporting obligations) when his or her campaign exceeds \$5,000 in either contributions or expenditures. If the campaign has not crossed the \$5,000 threshold, it is not required to file reports. See 11 CFR 100.3(a). See also 11 CFR 104.5(a).

² If a candidate has more than one authorized committee, the principal campaign committee files a consolidated report on Form 32 [PDF]. See 11 CFR 104.3(f).

PRE- AND POST-ELECTION REPORTS

The principal campaign committee of any candidate participating in a 2012 state primary, nominating convention or runoff election -- even if unopposed -- must also file a pre-election report 12 days prior to the primary, nominating convention or runoff. The principal campaign committee of a candidate who participates in the general election must file pre- and post-general election reports. See 11 CFR 104.5(a)(2).

48 HOUR NOTICES OF CONTRIBUTIONS

The principal campaign committee must file notices if any authorized committees receive any contribution (including in-kind gifts or advances of goods or services; loans from the candidate or other non-bank sources; and guarantees or endorsements of bank loans to the candidate or committee) of \$1,000 or more per source, during the period less than 20 days but more than 48 hours before any election in which the candidate is running. See 11 CFR 104.5(f).

The notices must reach the appropriate federal filing office within 48 hours of the committee's receipt of the contribution(s). **Campaign committees that file electronically MUST submit their 48-hour notices electronically.** See 11 CFR 104.5(f).

IMPORTANT FILING INFORMATION - PAPER FILERS

In response to the 2001 anthrax threat, the U.S. Postal Service is irradiating mail directed to many federal agencies, including the FEC and the Secretary of the Senate.⁴ This process has not only delayed mail delivery, it has also damaged and in some cases destroyed pieces of mail. As a result, committees that file reports with the FEC may want to consider submitting their reports by some means other than U.S. mail. Alternative methods include electronic filing, overnight mail or delivery service, and hand delivery.

³ Penalties for late- or non-filing of 48-hour notices are based on the amount of contributions not timely disclosed. As a result, these penalties may exceed \$17,600, even for first-time violations.

⁴ Senate committees should contact the Secretary of the Senate at (202) 224-0322 for more information on filing reports via US mail.
